April 2017 CONTINUED

Please read the following:

A few important reminders: Staff members arrive 15 minutes before start time for the trip. Anyone that arrives earlier MUST be accompanied by parent/caregiver. All of our trips are offered on a first come first serve basis, calling to sign up for the trips as soon as you receive the calendar is in your best interest and increases your chances of securing a spot. We try our best to accommodate everyone, however many trips have limited availability set forth by the venues themselves. Calling the Thursday or Friday before the trip is not advised as I can not guarantee a spot for the individual. Furthermore, when the trip is over, any participant that is picked up fifteen minutes after the scheduled time will be charged an additional fee for each five minute interval that passes until the individual is picked up. In the event that we are running late this fee would not apply unless providers/caregivers or parents are still not at WARC to pick up the participant. Also, weather can often play a role at times and put a damper on previously scheduled outings especially for those that are planned to be outside, this means all trips are subject to change to ensure the health and safety of all our participants. We appreciate your dedication and understanding—

Thank you , Sandi Rodriguez
